

SANTA CLARA VALLEY  
**HABITAT AGENCY**

## **REQUEST FOR PROPOSALS**

# **PACHECO CREEK RESTORATION PROJECT**

## **Additional Pre-Proposal Onsite Meeting**

### **Santa Clara County, California**

**RFP No. 2023-01**  
**Addendum-2**

**March 7, 2023**

Due to the unanticipated inclement weather, including low elevation snowstorms in California immediately prior to the Mandatory Pre-Proposal Onsite Meeting on March 6, 2023 (Section 6.0 of the RFP), the Santa Clara Valley Habitat Agency is offering an additional pre-proposal site meeting on **March 9, 2023**. Meet at **10:00 AM** at the Casa de Fruta parking lot (Attachment A of the RFP).

Directions: From Highway 152, take the Casa de Fruta Parkway exit and head southeast toward the Casa de Fruta Market & Fruit Stand. Gather in the southern parking lot (Attachment A). After meeting at this location, Habitat Agency staff will lead a caravan to a private access from Highway 152. A 4x4 or all-wheel drive vehicle is recommended, but there will be opportunities to carpool from Casa de Fruta.

Direct any further inquiries regarding this RFP and its addendums in writing (email preferred) to:
